

VIRTUAL (ONLINE) DEBT COLLECTIONS TRAINING PROGRAM

CK 700A Debt Collection and Revenue Management for Utility Corporations, for New and Experienced Collectors, Managers and Supervisors in the Utility Industries In Public and Private Sector Utility Corporations

Testimonials: Online (Virtual) Debt Collections & Revenue Management Procedures Training Program: St. Kitts Electricity Company Limited (SKELEC)

All facets of this debt collections and revenue management training program was beneficial to me. This was one of the best training courses I have ever attended, because of the wealth of knowledge I gained. It also gave me something to consider – of ideas on to make our unit more efficiently and effectively run, while showing empathy, giving grace and having an admirable relationship with our clients. I wouldn't mind having this program being done on a quarterly basis.

The instructor, is a natural facilitator; the teaching style incorporated real-life examples, which were realistic and relatable.

This training program was for four days, but worth every penny! The information I received will be readily implemented, and using the reference manual as though it were the Bible.

Icilma J. Issac, Debt Collections Supervisor, St. Kitts Electricity Company Limited (SKELEC)

This training program was detailed and prepared participants for the debt collections environment. The program will help to enhance previous knowledge and the ability to reenergize my team on what was taught.

The training manual given to each participant was very thorough, as well as the real-life examples given by the instructor was a bonus, however, I wish that more time was spent on the pages of the training manual itself.

The instructor made the class lively and easy to follow the manual. It was very interactive and easy to follow. I would suggest more in-depth methods of collections be taught.

VIRTUAL (ONLINE) DEBT COLLECTIONS TRAINING PROGRAM

Overall, I definitely would attend any further training program offered by this instructor.

Sanshé Thompson-Edmeade, Customer Service Manager, St. Kitts Electricity Company Limited (SKELEC)

The longer your delinquent accounts remain uncollected, the worse they become, the more difficult they will be to collect!

Some of these courses have been conducted in partnership and collaboration with Florida Atlantic University, Bermuda College, Barbados Community College, as well as several regional governments and statutory corporations.
